

A diagram showing a file path hierarchy. At the bottom is a white box containing a full file path. A blue arrow points upwards from this box to a gray box above it, which contains the same path but with the final file name removed, representing a directory path.

```
D:/Library/Documents  
/Job/Forschungsmaster  
/Projekte/SimulationVisualization  
/Rumble3D/Rumble3D/include/R3D  
/RigidBodyEngine/CollisionDetection  
/OctreeBroadPhaseFilter.h
```

```
D:/Library/Documents  
/Job/Forschungsmaster  
/Projekte/SimulationVisualization  
/Rumble3D/Rumble3D/src/RigidBodyEngine  
/CollisionDetection/OctreeBroadPhaseFilter.cpp
```
